Kijima-kun's Love Exam (Last Part)

Starting this month, the students have switched to their summer uniforms.

After the case of Tachi-ban's ranking

dropping the other day

I've been smiling all morning

I wonder what Tachi-ban's been thinking. It looks like he's smiling. ♡  
He looks so happy today. It's like he's smiling. ♡

and the case of Kijima's classmates developing a fever,

there's been a rise in Kijima's scary talks.

I'm looking  
forward  
to Subaru's  
summer  
uniform so  
much

I'll be able  
to catch  
sight of his  
stomach,  
his back,  
his slender  
hips

I wake up  
earlier than  
usual.

and his  
supple

upper  
arms  
through  
gaps in his  
shirt

his nape  
will be  
drenched  
with  
sweat.

WHAT ARE  
YOU LOOK-  
ING AT?

TACH-  
BANAT?

His  
rippers  
will be  
fairly  
visible  
through

IS  
THAT  
SO?

THERE ARE  
RUMORS  
THAT YOUR

RANKS IS THE  
FAULT OF  
SOME KILMA

Tachibana

He's always surrounded by the cutest ones.

Tachibana is so-popular with the girls.

Everything about you♡

— he says with that beautiful smile...

Go to the apt. district!

I'll give up on MILK for now.

It was stupid of me to ask...

WHAT'S WRONG? YOU'RE RATHER ASSERTIVE TODAY?

I'm not...

Despite that, he always calls me cute...

TACHIBANA...

WHAT'S SO CUTE ABOUT ME?

I bet

It's because I'm so small.

Hello. Thank you for picking up a copy of "Kjima-kun's Love Exam!"

This marks the end of the fourth volume of the Kjima-kun series.!! This is amazing! Thank you so much! Thank you so, so much! I am so full of thanks for the readers, and everyone else who has supported this series.♥ Really, thank you so very much. This time I featured the summer uniform in the cover illustration.♪ What do you think? Refreshing, isn't it? ♪ It was lots of fun to draw the summer uniform.!! And I got to draw five mini-characters. I tried to draw the guest (?) of "Love Exam," Suzuki-kun. He's an outdried, coke-bottle glasses-wearing character (he looks especially cute with spirals in his glasses), and self-proclaimed rival to Tachibana (lol). I wasn't able to draw his face clearly in the magazine publication. I debated whether I should draw his face or leave it a mystery, but I decided to draw it in this book! I'd say he's a beauty (?) ♪ If he took off his glasses and changed his hairstyle, he'd be really handsome-. I think. To those of you who thought, "I want to see Suzuki-kun's face," when reading the magazine, how was it? I bet you were pleased. That's what I want to think anyway. I was glad to have drawn him.♪ And then there's our customary food that appears every volume.♪ This time it was strawberry shortcake.♥ Every single time, Ms. Super Assistant always draws the most delicious food, so I'm incredibly grateful. This time, I really wanted to eat the strawberry shortcake. (lol)

~~~~~

Of the four main characters, Tachibana is the only one who can actually make a decent, delicious meal. Subaru must really be happy-. On the other hand, Gou-chan is the one who makes nightmarish food (lol). And the victim of his antics is always Shuya-. steel your stomach and do your best!! He's such a pitiful character that you really want to cheer him on. In our workplace, he's the No. 1 for "Characters you want to make your Husband."♥ Of course, I like all the main characters, but lately I've been favoring Tachibana. Well, since my editor always teases me, I always want to shout, "Tachibana is cool too!" Drawing my delusions of Tachibana is one of the pleasures of my work-. I think because of that his value has dropped a bit, but I'm always thinking of what sort of delusions I'll draw next. Even Tachibana, who appears super perfect, has some troubles-. It would be really great to draw them some day.

Next is "Tachibana Goes to Subaru's House". You can look forward to Subaru's family making their debut.♪ In addition, there might be a continuation of Gou-chan and Shuya's story. I'm looking forward to it myself.♪

Nothing would make me happier than if we were to meet in the next volume.

Respectfully Yours,  
Mamoko Sae
